

Sons of AMVETS

National Roll of Honor

My fellow sons,

This year, for the first time, we will include in our National Convention Book a Roll of Honor. This will be similar to the friendship page that is put into many Auxiliary or State Convention Books.

Each member can pay \$1.00 to have a name (themselves or a friend or relative's name) and Squadron/Post included on a page in the Convention. Funds raised in this fashion will be used to help defray the costs of putting on our National Convention.

We are asking all NECmen to review this information at their State Conventions to bring awareness to this program and help us keep Convention costs down. We are also asking all Squadron officers to also consider bringing this up at an upcoming local meeting.

Please send this form and monies collected to National Headquarters no later than July 15th, to allow Nancy to type everything up for the book.

Harold Collins
Commander
Sons of AMVETS
National Department
